Remarks

Applicants' April 12, 2006 Response to Notice of Non-Compliant Amendment, which Notice was mailed on March 9, 2006, made corrections specified in that Notice but did not include the entirety of the amendments to the specification contained in the December 6, 2005 Amendment and Remarks. The June 30, 2006 Notice of Non-Compliant Amendment directs the Applicants to submit the entire Amendments to the Specification section of the December 2005 Amendment incorporating the corrections made pursuant to the March 2006 Notice and to place the amendments in a separate section of the paper.

Applicants have corrected the incompleteness of their April 2006 Response herein by incorporating all amendments to the specification from the December 2005 Amendment including the corrections made in the April 2006 Response. Applicants have also presented the entirety of the Amendments to the Specification in a separate section of this paper as required by 37 C.F.R. § 1.121. Applicants respectfully submit that the response is now complete.

Conclusion

The Notice of Non-Compliant Amendment mailed on June 30, 2006 gave the Applicants thirty (30) days or one (1) month, whichever is longer, to respond. That period expired on July 30, 2006, a Sunday, and by operation of 37 C.F.R. § 1.7(a) to Monday July 31, 2006. Accordingly, Applicants respect that this paper is timely filed today and that no extension of time is required.
